

PI Agreement Form

This agreement form is required for LingUU submissions involving research that was conducted in the context of a bigger research project. The aim of this form is to reassure that the Principal Investigator (PI) is aware and in accordance with the publication of the submitted article. By signing this agreement form, the supervisor gives permission that the student submits their article to the student journal LingUU at Utrecht University.

This agreement form should be submitted together with the research article via the submission form on our website (<https://linguujournal.nl/en/submit-your-paper/>).

Please note that we cannot consider the submission for review before receiving this agreement form.
